

FlexPost-SM™

Quick-Deploy Parking Lot Safety

Our FlexPost-SM™ products are designed with parking lot safety in mind. This product line focuses on portability with the capability of ultra-quick deployment, taking only minutes to install - with no special tools required. The SM product line is very versatile - perfect for wayfinding or protecting areas with high pedestrian walking traffic, as well as designating temporary parking areas for grocery, restaurant and other types of curbside pickup.

HAPPY CUSTOMERS

Accidents happen
—minimizes damage to vehicles.

BUILT TO LAST

Springs back into place
instead of bending or breaking.

CUSTOMIZABLE

Brand your parking lot with your logo and colors.

EASY TO INSTALL

Installs within 30 minutes with no special tools required.

LOWER COSTS

Reduces expensive labor, repair and maintenance costs.
