

## **FlexPost® Makes the Inc. 5000 National 2022 List**

For Immediate Release

HOLLAND, MICHIGAN, August 16, 2022 - Inc. announced that FlexPost is included on its 2022 Inc. 5000 National list, the most prestigious ranking of the fastest-growing private companies in America. This list represents a one-of-a-kind look at the most successful companies within the economy's most dynamic segment – its independent businesses.

This announcement comes on the heels of Inc. announcing in March that FlexPost had made its 2022 Inc. 5000 Regionals: Midwest list. This regional list represents the brightest and fastest-growing independent businesses within the Midwest. Read the FlexPost Inc. 5000 Midwest ranking 2022 press release here:

The companies on the 2022 Inc. 5000 have not only been successful, but have also demonstrated resilience amid supply chain woes, labor shortages, and the ongoing impact of Covid-19. Among the top 500, the average median three-year revenue growth rate soared to 2,144 percent. Together, those companies added more than 68,394 jobs over the past three years.

"We're honored to be receiving the National recognition for the second year in a row, especially after also ranking Regionally in both 2021 and 2022," said John Kandra, FlexPost President and CEO. "Our continued rankings would not be possible without our partners' and customers' support, as well as the commitment of our staff."

### **About FlexPost Inc.**

FlexPost Inc. helps organizations manage traffic and keep people safe as they prepare for curbside pickup, ADA parking, and other reserved parking spaces. FlexPost manufactures parking lot flexible signpost and bollard systems that save retailers, restaurants, hospitals, universities, airports, and other types of facilities thousands of dollars annually in parking lot repair and maintenance costs.
