# ULTRA PORTABLE GATE BARRICADE

Lightweight Design for Quick & Easy Setup

**pittman**<sup>®</sup>

## OVERVIEW

The Ultra Portable Gate Barricade offers a practical solution for quickly securing areas. Perfect for temporary construction, equipment maintenance, or emergency scenes, this lightweight barrier is easy to transport and adjust, extending up to 6' as needed.

Designed with stability in mind, the legs include compartments that can be filled with water to increase weight and ensure the barrier stays firmly in place. High-visibility reflective strips enhance safety, making it suitable for use in both indoor and outdoor environments.

The Ultra Portable Expandable Barrier is a reliable and convenient choice for effective temporary access control.

## PRODUCT FEATURES

- Lightweight Design - Easy to transport and set up for temporary use.
- Expands up to 6' - Adjusts quickly to secure different areas.
- Water-Fillable Legs - Adds stability to keep the barrier in place.
- Reflective Strips - Enhances visibility for indoor and outdoor use.
